Steins;Gate
シュタインズ・ゲート

There is no end though there is a start in space — Infinity
It has own power, it ruins and it goes though there is a start also in the star — Finite
Only the person who was wisdom can read the most foolish one from the history
The fish that lives in the sea doesn't know the world in the land. It also ruins and goes if they have sudden
It is funnier that man exceeds the speed of light than fish start living in the land
It can be said that this is an final ultimatum from the god to the people who can fight
